

FOR IMMEDIATE RELEASE

Southwest Clean Air Agency Seeks Applicants for Member-At-Large Position on Board of Directors

Vancouver WA 8/7/2024 – The Southwest Clean Air Agency (SWCAA) is actively seeking applicants for the position of Member-At-Large on its Board of Directors. This is a unique opportunity for a Washington resident to contribute to the governance and direction of the agency dedicated to air quality and public health in southwest Washington.

About the Position:

The SWCAA Board of Directors, established by the Washington Clean Air Act, consists of eleven members, including County Commissioner representatives, City Council representatives from the most populous cities, and a Member-At-Large. The Board is responsible for setting local air pollution control policies consistent with the Washington Clean Air Act.

Key Responsibilities:

- Participate in ten Board meetings per year held on the first Thursday of most months at 3 p.m., either in person at SWCAA's office, or virtually; and
- Protect public health throughout SWCAA's jurisdiction by setting policies, authorizing resources, and adopting rules which ensure the agency is able to fulfill its statutory and contractual obligations.

Eligibility Requirements:

- Must be a resident of Clark, Cowlitz, Lewis, Skamania, or Wahkiakum County.
- Knowledge about air quality and the protection of public health is preferred.

Compensation:

- Board members receive \$50 for each meeting attended and are reimbursed for mileage.

Application Process: Interested candidates are invited to submit a resume and cover letter outlining their qualifications and interest in the position. Applications should be sent to Jobs@swcleanair.gov or mailed to:

Southwest Clean Air Agency
5101 NE 82nd Street, Suite 102
Vancouver, WA 98662

The deadline for applications is September 15th. Interviews will be conducted during the October Board Meeting.

About Southwest Clean Air Agency:

The Southwest Clean Air Agency (SWCAA) is dedicated to improving air quality and environmental health in southwest Washington. Through regulatory oversight, community engagement, and policy development, SWCAA plays a vital role in ensuring a cleaner, healthier environment for all residents in the region.
