

Southwest Clean Air Agency
Air Discharge Permit Application Notice

Application Number	L-750	
Affected Facility	Owner:	Port of Chehalis 321 Maurin Road, Chehalis, WA 98532
	Facility:	Port of Chehalis 207 Maurin Road, Chehalis, WA 98532
Description of Facility	The Port of Chehalis is a public port district in the State of Washington. The Port proposes to install and operate a grain terminal facility on 2.1 acres of land located in Lewis County. The terminal will receive grain products from local farms via truck and rail. Grain products will be stored onsite in silos before being shipped off-site via truck and rail.	
Source Designation	<u>Natural Minor</u> . The facility is a stationary source subject to review under SWCAA 400-110. Facility emissions will be less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants.	
Purpose of Application	SWCAA has received a permit application for installation of a new grain handling and storage operation at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.	
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants: PM	
Public Comment Period	No public comment period for the draft permit is currently scheduled. A 30-day public comment period for the draft permit will be provided upon written request pursuant to SWCAA 400-171(3).	
Opportunity for Public Involvement	<p>Any person who wishes to review or comment on this application/permit may:</p> <ul style="list-style-type: none"> • Contact the agency contact person identified below for more information; • Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; and/or <p>If a public comment period is provided, any person may:</p> <ul style="list-style-type: none"> • Provide comment on the draft permit if a public comment period is provided. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; and/or • Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.
