

PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) is providing a thirty (30) day public comment period for the preliminary determination to issue Air Discharge Permit 24-3675 to Industrial Way Chevron. This preliminary determination approves the removal of Stage II vapor recovery equipment that is not ORVR compatible at the gas station located at 1161 Industrial Way in Longview, Cowlitz County, Washington. This action will result in reduced emissions of gasoline vapors. Gasoline vapors are classified as volatile organic compounds, some of which are also Toxic Air Pollutants under WAC 173-460 and federally classified as Hazardous Air Pollutants.

Copies of the preliminary ADP and associated Technical Support Document are available for review at 5101 NE 82nd Ave., Suite 102, Vancouver, Washington 98662, Monday through Friday from 7:00 a.m. to 5:30 p.m. Electronic copies are available for review in the permit section of SWCAA's website, <https://www.swcleanair.gov/permits/publiccomments.asp>. This material will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within thirty (30) calendar days after the date of publication. If there is a demonstrated significant public interest, a public hearing may be held during the thirty-day comment period.
