

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) - SWCAA 24-031

Description of proposal:

ADP Application S-139: The proposed project will install a new crematory at an existing facility inside an existing building. The proposed project will not involve any building construction, excavation, or significant change in land use. The project is not expected to change the nature of the surrounding locale or have a significant impact on local utilities or natural resources. Air emissions will be minimized through the use of good combustion controls and an afterburner.

Proponent: Pet After Life Services (Brian Yockey)

Location of proposal, including street address if any:

122 Bear Prairie Road in Washougal, Washington 98671

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by _____.
