

**State Environmental Policy Act**

**DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 24-032**

**Description of proposal:**

ADP Application CO-1102: Installation of a new impact mill. This project is limited to installation of a single process unit and associated air emission control equipment. No changes are proposed to existing operations or equipment. The project will not involve any excavation or building construction. Impact on media other than air is expected to be minimal. Air emissions will be minimized by process enclosure and filtration equipment.

**Proponent:** Columbia River Carbonates (Patrick Sypher, Plant Manager)

**Location of proposal, including street address if any:**  
289 N Pekin Road, Woodland, Washington 98674

**Lead agency:** Southwest Clean Air Agency

**The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.**

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by \_\_\_\_\_.
