DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 24-047

Description of proposal:

ADP Application CL-3281: Greenberry Industrial proposes to operate a metal fabrication facility specializing in large structural steel projects. The proposed facility is consistent with the current use/zooming of adjacent properties. Impact on media other air (traffic, light, noise, water, etc.) is expected to be minimal. Impact on air will be minimized through the use of process enclosure, high efficiency filtration, and material consumption limits.

Proponent: Greenberry Industrial (Brian Harris, Regional EHS Manager)

Location of proposal, including street address if any:

3000 SE Hidden Way in Vancouver, Washington 98661

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
